November 29, 2007: Happy belated birthday to Gary, two fisted [Fleen](#) reporter and [Dr. McNinja's Emergency Barber Technician](#).

And happy anniversary to the [Create a Comic Project!](#) The CCP is a youth literacy program I wish I had around when I was in primary school. Basically, you give a kid a stack of comics with dialogue free balloons, and you let them write in whatever they like.

To celebrate the project's first anniversary, allow me to proudly present an example with Dr. McNinja. [SMELLS LIKE SCIENCE!](#) You can also watch the class in [action here](#).
